Membership

Please make sure to check your points and to contact Allie if there are any corrections that need to be made. We are still waiting for a few shows to send in their points and once they are received, the website will be updated to reflect those results. Remember, it's never too late to join as a member for the 2026 show season! To join, please click on the link below Western Pennsylvania Professional Horsemen's Association

While it has been an honor to serve this organization, effective immediately, Spencer Turnblacer will be retiring from her role as President. She no longer has the time needed to help promote the organization that it deserves. She will continue to answer any questions through the remainder of the show season as the organization transitions to new leadership. Any future mail or communication can be directed to co-presidents, John Ham and Chris Pompos.

As we reach the halfway point of the show season, we wanted to point out several horse shows that will be offering **DOUBLE** or **QUADROUPLE** points for our members as a bonus this season! We are super excited to collaborate with these three great venues to offer our members multiple opportunities this year.

AUGUST 26-30 BRAVE HORSE SERIES – ***QUADROUPLE POINTS***
